

FISHES OF SAHUL

Issue Index

Volume 25(1) 2011 (March)

- Allen, G.R. and Hadiaty, R.K. 2011. A new species of rainbowfish (Melanotaeniidae), from western New Guinea (West Papua Province, Indonesia). *Fishes of Sahul* 24(1): 602-607.
- Schnell, M. 2011. Brackish creek fishes of Narrabeen Lake. *Fishes of Sahul* 25(1): 608-617.
- Kuiter, R.H. 2011. Upper-Murray *Galaxias*. *Fishes of Sahul* 25(1): 618-619.

Volume 24(3) 2010 (November)

- Tustin, D.P.S. 2010. Searching for the Ifaupan River. A Remote “e”-xploration of Palau Misool. *Fishes of Sahul* 24(3): 582-592.
- Aland, G. 2010. Range extension for *Porochilus rendahli* and new record for the Murray Darling catchment. *Fishes of Sahul* 24(3): 593-595.
- Schmida, G. 2010. Dance of the butterflies. *Fishes of Sahul* 24(3): 596-600.

Volume 24(2) 2010 (August)

- Briggs, G. 2010. Glorious empire gudgeons. *Fishes of Sahul* 24(2): 562.
- Schmida, G. 2010. Pretty pictures. *Fishes of Sahul* 24(2): 563-575.
- Romanowski, N. 2010. The emergence of the blue-spotted hawker dragonfly. *Fishes of Sahul* 24(2): 576-580.

Volume 24(1) 2010 (May)

- Lo, A. 2010. The Mermaid Pool climbing Cox's Gudgeon. *Fishes of Sahul* 24(1): 542-543.
- Maebe, G. 2010. ANZ (Australia – New Zealand) Fish-Safari. *Fishes of Sahul* 24(1): 544-555.
- Romanowski, N. 2010. Moulting and mating in the freshwater crab. *Fishes of Sahul* 24(1): 556-560.

Volume 23(3) 2009 (December)

- O'Reilly, L., Hansen, B., Moores, G. and Wilson, D. 2009. Heli-fishing the upper Katherine River. *Fishes of Sahul* 23(3): 522-531.
- Briggs, G. 2009. Australian purple-spotted gudgeons. *Fishes of Sahul* 23(3): 532-535.
- Powell, A. 2009. *Chilatherina fasciata*, Lake Wanam. *Fishes of Sahul* 23(3): 536-537.
- Littlejohn, P. 2009. Freshwater polychaete in Australia. *Fishes of Sahul* 23(3): 538-540.
- Anon 2009. Erratum to V23-2. *Fishes of Sahul* 23(3): 540.

Volume 23(2) 2009 (April-July)

- Graf, J. and Ohee, H.L. 2009. *Glossolepis* from northern New Guinea. *Fishes of Sahul* 23(2): 504-512.
- Stanton, M. and Turner, G. 2009. Observations of eel-tailed catfish migrating. *Fishes of Sahul* 23(2): 513-517.
- Kuiter, R.H. 2009. *Galaxias maculatus* – Common Jollytail. *Fishes of Sahul* 23(2): 518-520.

Volume 23(1) 2009 (January-March)

- Graf, J. 2009. Two new rainbowfishes (*Melanotaenia affinis* "Bonggo" and *Melanotaenia* sp. "Suswa Village"). *Fishes of Sahul* 23(1): 478-481.
- Schnell, M. 2009. Feeder creek fishes of Narrabeen Lagoon. *Fishes of Sahul* 23(1): 482-498.
- Kuiter, R. 2009. Freshwater blackfishes. *Fishes of Sahul* 23(1): 499-500.

Volume 22(4) 2008 (October-December)

- O'Reilly, L. 2008. Weipa wanderings (part 2). *Fishes of Sahul* 22(4): 454-465.
- Bleher, H. 2008. A *Pseudomugil* account. *Fishes of Sahul* 22(4): 466-470.
- McCormack, R.B. and Coughran, J. 2008. *Euastacus maccai*, a new freshwater crayfish from New South Wales. *Fishes of Sahul* 22(4): 471-476.

Volume 22(3) 2008 (July-September)

- Allen, G.R. 2008. Return to Arguni. *Fishes of Sahul* 22(3): 430-439.
- O'Reilly, L. 2008. Weipa wanderings (part 1). *Fishes of Sahul* 22(3): 440-452.

Volume 22(2) 2008 (April-June)

- O'Reilly, L. and Reid, A. 2008. ANGFA-QLD 2008 field trip to the western rivers. *Fishes of Sahul* 22(2): 406-413.
- Kuiter, R.H. 2008. The southern pygmy perch. *Fishes of Sahul* 22(2): 414-417.
- Briggs, G. 2008. ANGFA-VIC 2008 field trip to Shepparton. *Fishes of Sahul* 22(2): 418-422.
- Walstad, D. 2008. Managing mycobacteriosis. *Fishes of Sahul* 22(2): 423-427.
- Hammer, M. 2008. Amazing rediscovery in South Australia. *Fishes of Sahul* 22(2): 428.

Volume 22(1) 2008 (January-March)

- Bowman, R. 2008. Significant signifiers. *Fishes of Sahul* 22(1): 382-389.
- Hammer, M. and Wedderburn, S. 2008. The threatened Murray Hardyhead. Natural history and captive rearing. *Fishes of Sahul* 22(1): 390-399.
- Keller, K. and Brown, C. 2008. A new sighting of the Oxleyan Pygmy Perch. *Fishes of Sahul* 22(1): 400-404.

Volume 21(3-4) 2007 (July-December)

- Maddern, M. 2007. The One-spot Livebearer: another introduced ornamental fish in Australia. *Fishes of Sahul* 21(3-4): 342-347.
- Powell, A. 2007. Hermaphrodite rainbows. *Fishes of Sahul* 21(3-4): 348-349.
- Walker, G. and Walker, D. 2007. Red mud riverland – Renmark. *Fishes of Sahul* 21(3-4): 350-352.
- Allen, M. 2007. Rediscovery of a jewel. *Fishes of Sahul* 21(3-4): 353-363.
- Abell, M. and Girkin, D. 2007. 2006 ANGFA combined clubs field trip. *Fishes of Sahul* 21(3-4): 364-374.
- Kuiter, R.H. 2007. Hazelwood Pondage cichlids. *Fishes of Sahul* 21(3-4): 375-380.

Volume 21(2) 2007 (April-June)

- Briggs, G. 2007. A week in the Wet Tropics. *Fishes of Sahul* 21(2): 318-333.
- Unmack, P.J. 2007. The Batanta and Waigeo rainbowfishes, further clarified. *Fishes of Sahul* 21(2): 334-336.

Shoosmith, D. 2007. The fishes I wished and missed. *Fishes of Sahul* 21(2): 337-340.

Volume 21(1) 2007 (January-March)

Armstrong, N. 2007. South East Arnhem Land. *Fishes of Sahul* 21(1): 294-307.

Coughran, J. and Leckie, S. 2007. *Euastacus pilosus* n. sp., a new crayfish from the highland forests of northern New South Wales, Australia. *Fishes of Sahul* 21(1): 308-316.

Volume 20(4) 2006 (October-December)

Moore, G. 2006. Gap Creek Rainbowfish. *Fishes of Sahul* 20(4): 270-271.

Kuiter, R. 2006. Coward Springs country. *Fishes of Sahul* 20(4): 272-276.

Carmody, G. 2006. The fishes of Cooloola. *Fishes of Sahul* 20(4): 277-283.

Mailliet, C. 2006. Cling gobies from Biak. *Fishes of Sahul* 20(4): 284-287.

Mathews, G., Kuiter, R.H. and Walker, G. 2006. Desert trilling frog. *Fishes of Sahul* 20(4): 288-292.

Volume 20(3) 2006 (July-September)

Carmody, G. and Smith, L. 2006. The western minnow. *Fishes of Sahul* 20(3): 246-251.

Kuiter, R.H. 2006. Torrens catchment's Lake Eyre hardyhead. *Fishes of Sahul* 20(3): 252-265.

Wilson, D. 2006. Bedjal – the famous red rainbowfish from Arnhem Land. *Fishes of Sahul* 20(3): 266-268.

Volume 20(2) 2006 (April-June)

Bowman, R. 2006. A surprise guest: *Melanotaenia gracilis*, the slender rainbowfish. *Fishes of Sahul* 20(2): 222-225.

Bleher, H. 2006. Australia's outback 2005. 8,000 km across Australia's outback following the 2005 ANGFA Convention. *Fishes of Sahul* 20(2): 226-243.

Armstrong, N. 2006. Tri's in the Daintree. *Fishes of Sahul* 20(2): 244.

Volume 20(1) 2006 (January-March)

Abell, M. 2006. Lidwill's Dwarf Goby. *Fishes of Sahul* 20(1): 198-201.

Kuiter, R.H. 2006. Wild Tasmania. *Fishes of Sahul* 20(1): 202-220.

Volume 19(4) 2005 (October-December)

Briggs, G. 2005. Murray River Rainbowfish. *Fishes of Sahul* 19(4): 174-176.

Mathews, G., Walker, G., Mathwin, R. and Hammer, M. 2005. Spring tides, Galaxias and the River Torrens, South Australia. *Fishes of Sahul* 19(4): 177-186.

Hansen, B. 2005. Snakehead Gudgeon observation. *Fishes of Sahul* 19(4): 187-190.

Coughran, J. 2005. *Cherax leckii* n. sp. (Decapoda: Parastacidae): a new crayfish from coastal, northeastern New South Wales. *Fishes of Sahul* 19(4): 191-196.

Volume 19(3) 2005 (July-September)

Briggs, G. 2005. Victoria's brackish gobies. *Fishes of Sahul* 19(3): 150-153.

Sambell, B. 2005. Expedition to the Barcoo River. *Fishes of Sahul* 19(3): 154-159.

Kuiter, R.H. 2005. More on Dwarf Galaxias. *Fishes of Sahul* 19(3): 160-163.

Kuiter, R.H. 2005. Common Carp, its origin. *Fishes of Sahul* 19(3): 164-166.

Leckie, S. and Coughran, J. 2005. *Euastacus suttoni* (Clark 1941): the New England Crayfish. *Fishes of Sahul* 19(3): 167-172.

Volume 19(2) 2005 (April-June)

- Mailliet, C. and Saunders, A. 2005. Madagascar Rainbowfish. Notes on some recently discovered *Bedotia* species. *Fishes of Sahul* 19(2): 126-134.
- Kuiter, R.H. 2005. Gerald R. Allen explores the Solomon Islands. *Fishes of Sahul* 19(2): 135-139.
- Kuiter, R.H. 2005. What is a species anyway? *Fishes of Sahul* 19(2): 140-141.
- Armstrong, N. 2005. *Melanotaenia inornata* - The Chequered Rainbowfish. One of Australia's most ignored rainbowfish. *Fishes of Sahul* 19(2): 141-142.
- Coughran, J. and Leckie, S. 2005. News from the wilderness of crayfish research. *Fishes of Sahul* 19(2): 143-148.

Volume 19(1) 2005 (January-March)

- Raadik, T.A. 2005. Dorrigo Plateau – a biodiversity “hot-spot” for galaxiids. *Fishes of Sahul* 19(1): 97-107.
- Bleher, H. 2005. Batanta, Waigeo and Misool rainbowfish clarification. *Fishes of Sahul* 19(1): 108-119.
- Walker, G. and Walker, D. 2005. Congolli's past and future in South Australia. *Fishes of Sahul* 19(1): 120-124.

Volume 18(4) 2004 (October-December)

- Walker, G. 2004. An isolated desert fish in the Lake Torrens catchment. *Fishes of Sahul* 18(4): 74-79.
- Romanowski, N. 2004. Notes on dwarf galaxias *Galaxiella pusilla*. *Fishes of Sahul* 18(4): 80-86.
- Allen, G.R. 2004. Two new species of gobiid fishes (*Lentipes* and *Stenogobius*) from fresh waters of Milne Bay Province, Papua New Guinea. *Fishes of Sahul* 18(4): 87-96.

Volume 18(3) 2004 (July-September)

- Knight, J. and Butler, G. 2004. Conserving threatened Australian fishes: *Nannoperca oxleyana* and *Maccullochella ikei*. *Fishes of Sahul* 18(3): 50-57.
- Mailliet, C. 2004. “Those little red fish” *Melanotaenia parva* and *Glossolepis pseudoincisus*. *Fishes of Sahul* 18(3): 58-67.
- Kuiter, R.H. 2004. Cathedral Rock National Park. *Fishes of Sahul* 18(3): 68-72.

Volume 18(2) 2004 (April-June)

- Pierce, B., Young, M. and Sim, T. 2004. South Australia's Flinders Ranges fishes. *Fishes of Sahul* 18(2): 25-41.
- Leggett, R. 2004. Rivers I have known – Burdekin River. *Fishes of Sahul* 18(2): 42-43.
- Wilson, D. 2004. The late dry season fish of Arrinyaki Creek. *Fishes of Sahul* 18(2): 44-47.
- Kuiter, R.H. 2004. Myora Springs surprise. *Fishes of Sahul* 18(2): 48.

Volume 18(1) 2004 (January-March)

- Hammer, M. and Horne, P. 2004. Threatened ecological communities of South Australia's south-east. *Fishes of Sahul* 18(1): 2-7.
- Walsh, D. and Chang-Kum, K. 2004. Victoria's south-west. *Fishes of Sahul* 18(1): 8-15

- Leggett, R. 2004. Rivers I have known – King George River. *Fishes of Sahul* 18(1): 16-17.
- Mailliet, C. 2004. The Waigeo Rainbowfish. *Fishes of Sahul* 18(1): 18-20.
- Kuiter, R.H. 2004. Australian fairy shrimp. *Fishes of Sahul* 18(1): 21-22.
- Armstrong, N. 2004. Walker River's marbled frog. *Fishes of Sahul* 18(1): 23-24.

Volume 17(3&4) 2003 (September-December)

- Bowman, R. 2003. Celebrating 20 years of *Fishes of Sahul*. *Fishes of Sahul* 17(3&4): 950.
- Kuiter, R.H. 2003. Discovering Ewens Pygmy Perch. *Fishes of Sahul* 17(3&4): 952-959.
- Schmida, G. 2003. Cheeky little buggers - a look at Australian blue-eyes. *Fishes of Sahul* 17(3&4): 960-975.
- Kuiter, R.H. 2003. More on *Galaxias fuscus*. *Fishes of Sahul* 17(3&4): 976-977.
- Allen, G.R. 2003. *Allomogurnda*, a new genus of gudgeon (Eleotrididae) from fresh waters of New Guinea, with descriptions of seven new species. *Fishes of Sahul* 17(3&4): 978-997.
- Kuiter, R.H. 2003. Special spiny crays. *Fishes of Sahul* 17(3&4): 998-1000.

Volume 17(2) 2003 (May-June)

- Allen, G.R. 2003. Unexplored islands of Papua New Guinea. *Fishes of Sahul* 17(2): 925-948.

Volume 17(1) 2003 (March-April)

- Leggett, R. 2003. Rivers I Have Known - Drysdale River. *Fishes of Sahul* 17(1): 902-905.
- Bowman, R. 2003. The self-replicating *weneri* population. *Fishes of Sahul* 17(1): 906-913.
- Howe, G. 2003. Are Australian native fish better at eating mosquito larvae than introduced *Gambusia holbrooki*? *Fishes of Sahul* 17(1): 914-915.
- Howe, G. 2003. Distribution of *Gambusia holbrooki* in the Myall River. *Fishes of Sahul* 17(1): 916-920.

Volume 16(4) 2002 (December)

- Bowman, R. 2002. Mellis in Melbourne. *Fishes of Sahul* 16(4): 878-883.
- Romanowski, N. 2002. Water tigers: dragonflies in the pond. *Fishes of Sahul* 16(4): 884-887.
- Bell, G. 2002. Red-eyed tree frog. *Fishes of Sahul* 16(4): 888-891.
- Armstrong, N. 2002. Mangrove gobies. *Fishes of Sahul* 16(4): 892-897.
- Briggs, G. 2002. Purple-spotted gudgeons without the spots? *Fishes of Sahul* 16(4): 898-900.

Volume 16(3) 2002 (October-November)

- Unmack, P. 2002. Darwin rainbows. *Fishes of Sahul* 16(3): 854-863.
- Sambell, B. 2002. Saratoga. *Fishes of Sahul* 16(3): 864-870.
- Romanowski, N. 2002. The marshworts: *Nymphoides*. *Fishes of Sahul* 16(3): 871-874.
- Coleman, N. 2002. Not your ordinary freshwater crab. *Fishes of Sahul* 16(3): 875-876.

Volume 16(2) 2002 (May-June)

- Raadik, T.A. and Kuitert, R.H. 2002. Kosciuszko *Galaxias*: a story of confusion and imminent peril. *Fishes of Sahul* 16(2): 830-835.
- Joss, J. 2002. Australian lungfish, *Neoceratodus forsteri*. *Fishes of Sahul* 16(2): 836-844.
- Romanowski, N. 2002. Floating-leaf pondweeds: the game of the name. *Fishes of Sahul* 16(2): 845-847.
- Delventhal, N.R. 2002. "Sex change" in desert gobies: could there be two explanations for the rumour? *Fishes of Sahul* 16(2): 848-849.
- Girkin, D. 2002. The Sorong rainbowfish *Melanotaenia fredericki*. *Fishes of Sahul* 16(2): 850.
- Kuitert, R.H. 2002. Bellinger River, NSW. *Fishes of Sahul* 16(2): 851-852.

Volume 16(1) 2002 (February-March)

- Wilson, D. 2002. A visit with the Djelk rangers of central Arnhem Land. *Fishes of Sahul* 16(1): 806-814.
- Kuitert, R.H. 2002. North Stradbroke Island, Queensland. *Fishes of Sahul* 16(1): 815-819.
- Hammer, M. 2002. Natural habitat, spawning and rearing of the Dalhousie Catfish. *Fishes of Sahul, Journal of the Australia New Guinea Fishes Association* 16(1): 820-827.
- Kuitert, R.H. 2002. Spider? *Fishes of Sahul* 16(1): 828.

Volume 15(4) 2001 (November-December)

- Kuitert, R.H. 2001. Blind gudgeon. *Fishes of Sahul* 15(4): 782-784.
- Raadik, T.A. 2001. When is a mountain galaxias not a mountain galaxias? *Fishes of Sahul* 15(4): 785-789.
- Crockford, B. 2001. *Chilatherina axelrodi*. *Fishes of Sahul* 15(4): 790-795.
- Romanowski, N. 2001. Sacred lotus – native and exotic. *Fishes of Sahul* 15(4): 796-798.
- Briggs, G. 2001. The spotted rainbow. *Fishes of Sahul* 15(4): 798-802.
- Littlejohn, P. 2001. The little Aussie battler. *Fishes of Sahul* 15(4): 803.
- Kuitert, R.H. 2001. Diving freshwater. *Fishes of Sahul* 15(4): 804.

Volume 15(3) 2001 (September-October)

- Trneny, C. 2001. A day time view of a night time fish. *Fishes of Sahul* 15(3): 758-765.
- Allen, G.R. 2001. A new species of rainbowfish (*Glossolepis*: Melanotaeniidae) from Irian Jaya, Indonesia. *Fishes of Sahul* 15(3): 766-775.
- Crockford, B. 2001. Lake Wanam fasciata *Chilatherina fasciata wanamensis*, a subspecies in trouble. *Fishes of Sahul* 15(3): 776-779.
- Kuitert, R. 2001. Diving freshwater. *Fishes of Sahul* 15(3): 780.

Volume 15(2) 2001 (June-July)

- Briggs, G. 2001. Finke *mogurnda*. *Fishes of Sahul* 15(2): 734-739.
- Armstrong, N. 2001. Desert gobies *Chlamydogobius*. *Fishes of Sahul* 15(2): 740-749.
- Chang-kum, K. 2001. Frogs in a fish-room. *Fishes of Sahul* 15(2): 750-751.
- Briggs, G. 2001. Laura river rainbowfish. *Fishes of Sahul* 15(2): 752-753.
- Littlejohn, P. 2001. The unnamed yabbie from Victoria. *Fishes of Sahul* 15(2): 754-756.

Volume 15(1) 2001 (March-April)

- Bleher, H. 2001. The search for *Melanotaenia angfa*. *Fishes of Sahul* 15(1): 710-719.

- Chuah, E., Smith, L. and Wilson, D. 2001. *Ondinia purpurea* den Hartog (NYMPHAEACEAE) A personal journey. *Fishes of Sahul* 15(1): 720-725.
- Aarn and Ivantsoff, W. 2001. Predation on native fishes by *Gambusia holbrooki* in the Orara River, New South Wales. *Fishes of Sahul* 15(1): 726-732.

Volume 14(3) 2000 (October)

- Armstrong, N. 2000. Arafura swamp. *Fishes of Sahul* 14(3): 693-698.
- Hansen, B. 2000. "Starke" raving mad. *Fishes of Sahul* 14(3): 699-708.

Volume 14(2) 2000 (June-July)

- Malcolm, H. and Graham, P. 2000. Freshwater fishes of Hinchinbrook Island. *Fishes of Sahul* 14(2): 669-679.
- Aarn and Ivantsoff, W. 2000. Cranial, cartilage formation and calcification sequences of *Rhadinocentrus ornatus*. *Fishes of Sahul* 14(2): 680-685.
- Allen, G.R. and Jenkins, A.P. 2000. Australian freshwater gudgeons, genus *Mogurnda*. *Fishes of Sahul* 14(2): 686-689.
- Bowman, R. 2000. Observations of the spawning of the rhino-horn goby *Redigobius baleatus*. *Fishes of Sahul* 14(2): 690-692.

Volume 14(1) 2000 (March)

- Unmack, P.J. 2000. The genus *Hypseleotris* of southeastern Australia, its identification and breeding biology. *Fishes of Sahul* 14(1): 645-657.
- Komori, K. 2000. Glassfish and systematics, endangered subject behind the scene of glassfish study. *Fishes of Sahul* 14(1): 657-662.
- Hansen, B. 2000. Tune in and turn on to grunters. *Fishes of Sahul* 14(1): 663-666.
- Briggs, G. 2000. A crazy name for a "crazy fish". *Fishes of Sahul* 14(1): 666-668.

Volume 13(1) 1999 (March)

- Bowman, R. 1999. Twelve spotted blue-eye morphs – a study of variations within the *Pseudomugil gertrudae* species. *Fishes of Sahul* 13(1): 589-595.
- Hansen, B. 1999. Kimberley cool. *Fishes of Sahul* 13(1): 595-604.

Volume 13(2) 1999 (June-July)

New Genera and Species Described

***Allomogurnda* Allen, 2003.**

***Allomogurnda flavimarginata* Allen, 2003.**

***Allomogurnda hoesei* Allen, 2003.**

***Allomogurnda insularis* Allen, 2003.**

***Allomogurnda landfordi* Allen, 2003.**

***Allomogurnda montana* Allen, 2003.**

***Allomogurnda papua* Allen, 2003.**

***Allomogurnda sampricei* Allen, 2003.**

Allen, G.R. 2003. *Allomogurnda*, a new genus of gudgeon (Eleotrididae) from fresh waters of New Guinea, with descriptions of seven new species. *Fishes of Sahul* 17(3&4): 978-997.

***Euastacus leckii* Coughran, 2005.**

Coughran, J. 2005. *Cherax leckii* n. sp. (Decapoda: Parastacidae): a new crayfish from coastal, northeastern New South Wales. *Fishes of Sahul* 19(4): 191-196.

***Euastacus maccai* McCormack and Coughran, 2008.**

McCormack, R.B. and Coughran, J. 2008. *Euastacus maccai*, a new freshwater crayfish from New South Wales. *Fishes of Sahul* 22(4): 471-476.

***Euastacus pilosus* Coughran and Leckie, 2007.**

Coughran, J. and Leckie, S. 2007. *Euastacus pilosus* n. sp., a new crayfish from the highland forests of northern New South Wales, Australia. *Fishes of Sahul* 21(1): 308-316.

***Glossolepis dorityi* Allen, 2001.**

Allen, G.R. 2001. A new species of rainbowfish (*Glossolepis*: Melanotaeniidae) from Irian Jaya, Indonesia. *Fishes of Sahul* 15(3): 766-775.

***Lentipes venustus* Allen, 2004.**

Allen, G.R. 2004. Two new species of gobiid fishes (*Lentipes* and *Stenogobius*) from fresh waters of Milne Bay Province, Papua New Guinea. *Fishes of Sahul* 18(4): 87-96.

***Melanotaenia mairasi* Allen and Hadiaty, 2011.**

Allen, G.R. and Hadiaty, R.K. 2011. A new species of rainbowfish (Melanotaeniidae), from western New Guinea (West Papua Province, Indonesia). *Fishes of Sahul* 24(1): 602-607.

***Scaturiginichthys* Ivantsoff, Unmack, Saeed and Crowley, 1991.**

***Scaturiginichthys vermeilipinnis* Ivantsoff, Unmack, Saeed and Crowley, 1991.**

Ivantsoff, W., Unmack, P., Saeed, B. and Crowley, L.E.L.M. 1991. A redfinned blue-eye, a new species and genus of the family Pseudomugilidae from central western Queensland. *Fishes of Sahul* 6(4): 277-282.

***Stenogobius watsoni* Allen, 2004.**

Allen, G.R. 2004. Two new species of gobiid fishes (*Lentipes* and *Stenogobius*) from fresh waters of Milne Bay Province, Papua New Guinea. *Fishes of Sahul* 18(4): 87-96.

Revision of Species Names

***Allomogurnda nesolepis* (Weber, 1907) by Allen (2003).**

Allen, G.R. 2003. *Allomogurnda*, a new genus of gudgeon (Eleotrididae) from fresh waters of New Guinea, with descriptions of seven new species. *Fishes of Sahul* 17(3&4): 978-997.

***Chilatherina bulolo* (Whitley, 1938) by Allen (1983).**

Allen, G.R. 1983. *Chilatherina bulolo*, a valid species of rainbowfish (Melanotaeniidae) from northern New Guinea. *Fishes of Sahul* 1(2): 13-17.
