

ANGFA - Australia New Guinea Fishes Association

You are invited to the ANGFA Convention in Melbourne, Australia on April 23rd and April 24th 2005. If you can make it to the convention, we'd love to see you.

Through ANGFA, you can share in the thrill of discovering new fish populations, and get involved in the conservation of endangered species, while at the same time studying and enjoying their complex and fascinating behaviour.

ANGFA also publishes *Fishes of Sahul*, a high-quality journal, produced and published by both professional and keen amateur fish enthusiasts and hobbyists working with and enjoying the native fishes of Australia and New Guinea - four issues per year. Each issue contains 24 pages of informative and interesting original articles backed up by spectacular, full colour, glossy plates. Membership is US \$35 including *Fishes of Sahul*. Secure online credit card payment is available. Please visit www.angfa.org.au where you can download a membership form. For more information contact our ANGFA North America representative

Kevin Hosmer at 626 Phillips Road, Blairsville, PA 15717. Or phone 724-459-4920 until 10pm, EST or email: alfie@helicon.ne
